They cut about 15 from municipal securities as a whole, (so far) 5 in Public Finance , and unfortunately, there will be more tomorrow. My subgroup (Infrastructure Finance) won't find out until tomorrow since our group head is traveling. I'm so scared. I didn't think they would touch analysts, but they let go of the second year who sits right in front of me :-/

I guess if worst comes to worst, I'll have to move back to Miami and work with my pops...

::sigh::

I think he has a fb page. I tried looking him up and couldn't find anything.. He was offended that I hadn't googled him before we met up. Haha boy wasn't worth it before and he actually isn't anymore. I told him about your stalker skills, and that's when he mentioned his website, but I can't remember what it was called. And I for d@mn sure won't call him for it.

P.S. why are you here so early and in a suit. Trying to catch a man?
